

JMC INVESTMENT IS THE DIRECT EQUITY INVESTMENT ARM OF THE JMC FAMILY OFFICE.
WE SUPPORT ENTREPRENEURIAL AMBITIONS OF MANAGEMENT TEAMS TO TAKE COMPANIES TO THE NEXT LEVEL.

THE WAY WE PARTNER IS DIFFERENT

Flexible Solutions

Invest exclusively the capital of the Painvin family to allow greater discretion in the way we structure partnerships

Family Business Mindset

Combine the benefits of family and investor ownership together for responsible decision making and growth

Trusted Partner

Work with business owners who value us to safeguard their legacy by preserving operating cultures and employees

Aligned Patient Capital

Invest for the long term alongside owners and management to ensure coordinated business development

Real Operating Expertise

Bring a core team that has worked together for up to 30 years at Deutsch, a global premium electrical connector company

Empower Management Teams

Treat our partners with integrity, loyalty and transparency by letting them run the company

INVESTMENT FOCUS

- B2B sectors: industrial manufacturing, aerospace & defense, healthcare, certification & testing, automation & engineering and services
- \$10 million to \$100 million in sales and at least \$3 million of operating income
- Partners with passion, unique know-how, strong growth potential and a focus on innovation
- Private companies: corporate carve outs, management buy outs/ins, ownership transitions
- Preferably make majority stake investments with intact management teams
